

Starbuck James

"Welcome to Starbuck James, a high quality Executive Search and Selection company... and one that I believe is a little different.

During my career I have worked within various business sectors, including a major UK retail bank, a US owned technology multinational and a leading UK search and selection company.

Throughout this time I have experienced many recruitment practices that significantly failed to meet the expectations and aspirations of the client or the candidate. At Starbuck James, our aim is to show that recruitment can exceed the highest expectations. I want us to be easy to do business with.

Our website intends to provide an overview of how Starbuck James can help you... I very much hope you find it useful. Please feel free to contact us so we can provide more specific detail about our services. Or just let us know what you think of the site... we welcome your feedback.

I look forward to being of service to you."
